Rediscover Gold.

METRO GOLD LINE FOOTHILL EXTENSION FACT SHEET

PROJECT OVERVIEW

The 11.5 mile Metro Gold Line Foothill Extension connects the Foothills by rail to Pasadena, Downtown LA and dozens of new points of interest. With six new stations serving Arcadia, Monrovia, Duarte, Irwindale and Azusa, the Metro Rail system will expand to almost 100 miles of rail to destinations across LA County.

PROJECT AT A GLANCE

> 11.5 miles, six new stations
> Connects to the existing 87-mile Metro Rail System
> Less than 65 minutes* between APU/Citrus College to Downtown Los Angeles
> All stations feature new public artworks
> Powered electrically with overhead catenary wires
> New Operations & Maintenance facility in Monrovia
> Parking facility at all stations; each lot will have more than 100 spaces
> All stations are equipped with bike parking
> Arcadia, Monrovia, Duarte, Irwindale and APU/Citrus College parking facilities are equipped with three EV Charging stalls

*Data from Final Environmental Impact Report, March 2013.
