## You are invited to attend a community planning workshop for the new Martin Luther King, Jr. Medical Center Campus

Please join us for a community planning workshop to provide feedback on the new MLK hospital and surrounding campus. Your ideas and input are very important and will guide how the MLK Medical Center Campus is developed. Based on comments from the previous meeting, we have selected 5 topics for you to think about:

- Health and Wellness- includes topics related to health promotion, disease prevention, chronic care and community wellness
- Transportation- includes topics related to bus routes, shuttles, and other access to the campus
- Land Uses- includes topics related to business/commercial, retail/shopping, open space/recreation, childcare and housing
- Campus Master Plan- includes topics related to the development of the campus and the impact on the community
- General Input- additional comments/feedback

During the workshop, you will have the opportunity to visit tables around the room and provide your comments on each topic. There will be no formal presentation during the workshop. You are welcome to stop by and provide your comments anytime between 5:30 p.m. and 9 p.m. Two brief orientations will be held at 6 p.m. and 7:30 p.m. to guide you through the workshop process.

*We hope you will attend and share your ideas.*

**Thursday, January 7, 2010**

**5:30 p.m. to 9 p.m.**

Workshop Orientations at  
6 p.m. or 7:30 p.m.

**MLK Hospital Campus  
H. Claude Hudson Auditorium  
12021 S. Wilmington Avenue  
Los Angeles, CA 90059**
