THIRD WEDNESDAY

JUNE 20

5PM - 9PM

SIZZLIN' SUMMER SOLSTICE!

DOWNTOWN CULVER CITY

Catch some rays on the very first day of summer at Downtown Culver City's Third Wednesday Sizzlin' Summer Solstice! Many of our businesses will be participating in the "Best Spiked Lemonade in Downtown Culver City 2012" contest!! You won't need a designated driver either — Culver City just got a whole lot closer with the grand opening of the new **Expo Line Culver City Station**, and rides are FREE departing from the Culver City Station beginning at Noon on June 20! Stroll through downtown and listen to music by **Marston, Lord of the Cello**, and **Pilgrim Tunes** performing their spirited brand of acoustic Americana. Stop by the outdoor patio at **Ford's Filling Station** to catch the sounds of New Orleans or LaRocco's Pizza to perform some **Beach Boys karaoke**. Summer is the best time to explore Culver City's downtown area, Southern California's best-kept secret. Parking is free in municipal structures for up to two hours, or valet parking is available at three convenient Downtown locations.
