

Celebrate the anniversary of Space Shuttle Endeavour's historic arrival at the California Science Center!

October 11-13, 2013

NASA/MATT HEDGES

EVENT SCHEDULE

Friday, October 11 – Sunday, October 13
10 am - 5 pm

ASTRONAUT PRESENTATIONS

Join some of NASA's accomplished astronauts and scientists and hear about their experiences in space!
10:30am • 12:30pm • 2:30pm (daily)

THREE NIGHTS, THREE DAYS FILM SCREENINGS

An exciting documentary that takes a behind-the-scenes look at the monumental feat of moving Endeavour through the streets of Los Angeles and Inglewood. (20 minutes)
11:30am • 1:30pm • 3:30pm • 4:30pm (daily)

NASA EXHIBIT

NASA's exhibit, *Innovate – Explore – Discover – Inspire* will highlight NASA's missions to understand and protect Planet Earth, conduct research on the International Space Station, extend human reach into deep space, and to explore our solar system and beyond.

- Picture yourself as a NASA Astronaut – really, take your photo in a Space Suit! – ready to conduct a spacewalk outside the International Space Station or on Mars.
- Discover how NASA and its commercial partners will take crews to the International Space Station.
- Unlock the secrets of the Red Planet – explore Mars!
- Complete your passport by visiting all of NASA's exhibits and turn it in to receive your reward!

Red Bull Stratos

Mark Taper Sky Court Gallery, 3rd Floor
Free Admission

Come see the 3,000 pound capsule and pressurized spacesuit used by Felix Baumgartner when he jumped from the stratosphere and became the first human to break the sound barrier during freefall, reaching an estimated speed of 843.6 mph/Mach 1.25. Exhibit will be on view through January 12, 2014.

Save 10% on California Science Center Membership during Endeavour Fest!

Join at the Information Desk in the Science Center lobby today. Offer valid October 11-13, 2013.

All listed activities are **FREE** and take place in the **Loker Conference Center** on the 1st Floor.
