**Recognizing “Earth Week” in the County of Los Angles with the 2017 Green Leadership Awards**

In 2008, the Los Angeles County (County) Board of Supervisors established the Green Leadership Awards (GLA) Program to recognize innovative people, projects and programs that protect natural resources and enhance environmental sustainability.

Each year, the GLA Program is open to all County residents, businesses, non-profit agencies, educational institutions, professional associations and local governments that have demonstrated exceptional leadership in the environmental arena. Awards are given in the Individual, Business, Public Agency, Non-Profit and County Department categories.

Applications are vetted and scored by the GLA Committee and the “Chair’s Leadership Award” is selected by the Chair of the Board of Supervisors. Winners in all categories are recognized by the Board of Supervisors during the GLA Scroll Presentation. This year’s presentation will occur on Tuesday, April 11, 2017.
