

E-waste Roundup & Clothing Drive

Waste Management & the County of Los Angeles Department of Public Works are teaming up to host this year's E-waste Round Up and Clothing Drive in the parking lot of Alondra Community Park located at 3850 West Manhattan Beach Blvd, Lawndale CA 90260. This event will take place on April 19th, from 9:00am–2:00pm, and is **FREE** for El Camino Village, Alondra Park, Del Aire and Wiseburn residents.

Residents can bring an unlimited number of computers, monitors, televisions, cell phones, keyboards, digital cameras, printers, copiers, scanners, electronic cables, fax machines, video game consoles, & DVD players to the event for safe processing and recycling. Gently used clothing, toys and household goods will also be accepted.

Note: Hazardous Household Waste (HHW) will not be collected at the event. For more information on proper disposal of HHW, please visit the County's Website at www.CleanLA.com.

EARTH DAY 2014

It's that time of year again!
Join LA County Department of Public Works as we celebrate the 44th anniversary of Earth Day.

Earth Day is celebrated annually during the month of April to bring awareness to environmental issues. Please visit the Clean LA website at cleanla.com for more information on our Earth Day 2014 events. We hope to see you there!

Free SHARPS Program

Residents can conveniently and responsibly dispose of their needles, lancets, and other sharps from their own homes with Waste Management's new mail back program in just four easy steps:

Step 1: Call WM customer service at (800) 774-0222 to request a free container, and a WM representative will deliver it directly to your home the following week.

Step 2: Simply fill the container with Sharps materials.

Step 3: Mail the container back for safe disposal by using the pre-paid postage label provided. Make sure you sign the form included in the side pocket of your kit.

Step 4: Contact WM customer service for a new kit! Containers, delivery, and postage are free. (There is a limit of one container at a time per household up to four containers per year.)
