

Amendment to Item #17 (Supervisors Knabe and Solis Motion)

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Direct the Chief Executive Officer in coordination with the Chief Information Officer to hire an independent, third-party, research firm that is well-versed in assessing up-to-date data collection, business intelligence, and data analytic solutions to conduct the survey and provide the Board with next steps for strengthening data collection and results-based analysis best practices. Those recommendations should be vendor-neutral to be used as a guide to initiate future data collection strategies through open and competitive solicitations.
